Under the provisions of KRS 278.020(3), no utility may apply for a franchise from any governmental agency until it has obtained a certificate of convenience and necessity from this Commission based on our finding that there is a need and demand for the service sought to be rendered.

Upon examination of the materials filed by the Applicant, and with reference to Applicant's annual reports which are required to be on file with this Commission, the Commission FINDS that Continental Telephone Company of Kentucky has been providing telephone service to the City of Barbourville and its immediate environs since 1955, and that it is presently serving approximately 55,418 customers in the Barbourville area.
